

Avoid downtime and boost productivity with the program designed for your needs.

Customized Breakdown Service

Exceleator Customized will help keep your fleet on the road and maximize your organization's productivity. Choose only the services you need, when you need them — and let your staff focus on running your business. Meanwhile, we'll protect your interests with scalable solutions that fit your fleet plus special fleet discounts to keep it all affordable. Whether you want a comprehensive program, someone to fill in the gaps after hours or anything in between, Exceleator Customized delivers.

With Exceleator Customized, you also enjoy a full range of value-added services like customized reporting, convenient payment options that include credit card or Pinnacle account payment, and a single monthly invoice to simplify your accounting process. It all starts with the professionals at our call center, and ends by boosting your bottom line.
